Dear Sir:

It is respectfully submitted that the present invention, as defined by the claims in the above-identified application, is patentable over the disclosures listed on the enclosed form, whether considered individually or in any combination. This citation is made solely for the purpose of giving the Patent and Trademark Office Examiner an opportunity to make an independent review of such disclosures in the course of his or her examination of this application. No representation of any nature is made or intended by this citation, except as indicated above and except that the disclosures listed herein include, in the opinion of the undersigned, the closest art of which he is aware.

Respectfully submitted,

BRIAN D. SMITH, P.C.
